NEOFORCE AWARDED FEDERAL SUPPLY SCHEDULE FOR NEONATAL PRODUCTS FEDERAL SUPPLY SCHEDULE (FSS), NUMBER V797P-4095B

Ivyland, PA — Thursday, April 17, 2008— NeoForce Group, Inc. a leading provider of incubators warmers and transport systems for newborn infants, today announced that it has been awarded a United States Federal Supply Schedule (FSS), number V797P-4095b effective April 14th, 2008 thru April 14th 2013. The contract enables NeoForce to participate on products awarded under open and continuous solicitations; Number RFP-797-FSS-0025-R5, FSC Group 65 Part II, Section A, for Medical Equipment and Supplies.

NeoForce's inclusion as an approved FSS Vendor allows government customers to obtain special and approved pricing from a trusted vendor dedicated to *best in class solutions* for Government facilities offering maternal care and neonatal services.

“Our FSS contract establishes a long-term government wide solution that can be ordered directly from our schedule. This provides our Government customers with direct access to high-performance solutions and services at discount pricing and includes the benefits of shorter lead-times, lower administrative costs, and reduced inventories”, commented Otho Boone, President of NeoForce Group. “NeoForce recognizes that securing a FSS Contract is an important vote of confidence from the U.S. government and one that we take very seriously”, continued Boone.
